## Deliverable No. 4.4.

# ARICE call for ship time proposals opened

### Abstract

The ARICE call for ship time proposals opened on the 12<sup>th</sup> of April 2018. The call was widely distributed by email to project partners, representatives of international polar programmes and projects, the European Polar Board and researchers for information and further distribution.

[View this email in your browser](#)

**ARICE Call for  
Ship-Time  
Proposals 2018  
NOW OPEN!!**

**Fully Funded Transnational Access to the  
Research Icebreakers CCGS Amundsen,  
RV Sikuliaq and PRV Polarstern**

The EU Project **ARICE** opens now a call for ship-time proposals to access the icebreakers **CCGS Amundsen, RV Sikuliaq and PRV Polarstern**. This call will remain open until the 5th of July 2018.

Applications are welcome from **international teams of researchers and industry partners** from all career stages. Female applicants are encouraged to apply.

Check full eligibility criteria and funding conditions at: <https://www.arice.eu/apply-for-ship-time>

The access to PRV Polarstern is offered in the frame of the Multidisciplinary drifting Observatory for the Study of Arctic Climate (MOSAiC) Expedition, the first year-round expedition into the central Arctic exploring the Arctic climate system. Specific access regulations to PRV Polarstern in the frame of MOSAiC apply. Further information at <https://www.arice.eu/apply-for-ship-time>

**NOTE:** Proposals submitted to ARICE for PRV Polarstern will require a Confirmation of Endorsement from MOSAiC, a process which is encouraged to be started by potential applicants as soon as possible, as the endorsement process is expected to take 3 weeks from the submission of the request for endorsement until endorsement is confirmed. Detailed information is available at <https://www.arice.eu/apply-for-ship-time>
